Reminder of intent of Interlibrary Loan Code for the New Jersey Health Sciences Library Network (NJHSN) (for Institutional Members)

It is dues renewal time, and this is a reminder to update your routing tables and holdings in DOCLINE and to review the NJHSN ILL code to be sure you are in compliance. You must pay the institutional membership fee for HSLANJ in order to participate in NJHSN. Failure to do this by April will result having your borrowing privileges suspended. The intent of the code is to encourage lending among health sciences libraries with a goal of maximizing free resources, but it is not intended to be a substitute for the development of adequate collections based on the needs of each participating institution. Please review the code on the HSLANJ website, <http://hslanj.org/resources/ill/> and indicate your acceptance or nonacceptance below.

I understand and accept the Interlibrary Loan Code.

I do not accept the Interlibrary Loan Code, and thus will not be participating in NJHSN.

Support Staff: please note other members of your staff whom you would like to include in the directory. They are also very welcome to join HSLANJ as Individual/Personal members. To do so, please ask them to fill out an additional form.
